MINUTES of the Meeting of the Planning Committee of North Leigh Parish Council (NLPC) held on Tuesday the 10th February 2026 at 7:30pm in the Turner Hall

Another member of the public asked about the 5-year land supply. The District Councillor noted that the Local Plan 2031 is still in effect and the 5-year housing supply in that Plan has not been met.

A member of the public noted that postings have not been done outside the farm on the telegraph poles that are both outside the fields.

A member on the public had a query about 44 Common Road. The District Councillor noted that 10 houses have been approved on appeal, but there is a possibility of an application for 15 additional homes on that site.

The Planning Committee urged any members of the public to object to 24/03100/OUT. NLPC will be asking for S106 funds should the application go through, but this does not mean NLPC is accepting planning permission is inevitable.

The Planning Committee of NLPC resolved to object to this planning application.

ii. Appeal reference 6003371/Original Application Number: 25/02668/FUL

The Woodman Inn, New Yatt Road, North Leigh
Change of use and conversion from a public house to a dwellinghouse

It was noted that no group has come together to work towards forming a community run pub.

The Chairman of the Parish Council noted that should a group of residents come forward, the PC would support that, but that it would not be in its remit to be involved in such a group. It was noted that NLPC's comments have afforded the public a timeframe to allow time for people to come forward.

The Planning Committee of NLPC resolved to make no comment on this appeal.
